

### 2017 SUMMER RESPITE SERVICE

Once again this year, participants aged 3 to 24 years old will have the opportunity to enjoy a stay in our Summer respite service, once their registration has been confirmed. The Summer Respite Service welcomes individuals with autism spectrum disorders who live with their natural families.

The Summer Respite Service aims to provide support and respite for families, as well as enable participants to preserve the skills they have learned throughout the school year. All participants will have the opportunity to attend a camp session, in which they will be exposed to new experiences through their daily activities. The camp emphasizes the pleasure of learning alongside one's peers. We also work on helping participants develop a greater sense of autonomy, allowing them to take pride in their accomplishments, and to participate actively in community life. We select individual activities, group activities as well as outings in the community and municipal facilities.

#### **The Summer Respite Service is divided into 3 sections:**

**Bergamote section:** for participants aged 3 to 15 years old.

**Rock-Camp-Bol section:** for participants aged 14 to 24 years old.

**Wasabi section:** for participants with severe behavior problems and/or special needs.

The Summer Respite Service offers a ratio of one shadow for each participant, which can be adjusted as necessary.

### SHADOWING-BABYSITTING SERVICE

#### Minimum Wage Increase

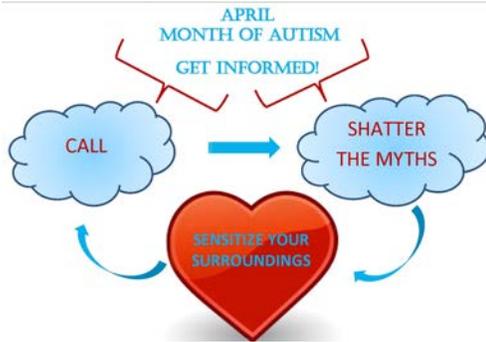

The Minister responsible for Labour, Mrs. Dominique Vien, as well as the Minister of Employment and Social Solidarity, Mr. François Blais, have announced that the minimum wage in Quebec will go up by 50 cents on May 1, 2017, bringing the total to \$11.25 per hour.

For the users of Autism Montreal shadowing-babysitting service, this increase has an impact on previous and future agreements between families and shadows. Indeed, Autism Montreal recommends that families using this service give their shadows a salary equivalent or superior to minimum wage.

We wish to thank the families using this service for taking into account the wage increase announced by the government, which will be effective on May 1st. Should you have any questions about this or our shadowing-babysitting service, please do not hesitate to contact us at 514-524-6114, ext. 3162.

## APRIL: AUTISM AWARENESS MONTH

This year, Autisme Montréal will take the opportunity of the autism month to promote awareness amongst the general public. The signature of our messages will be: GET INFORMED. By doing so, we are asking people to find out more about autism and the situation of our cause in Quebec.

During the month of April, we will propose several awareness activities, such as the familiarization day with Aéroports de Montréal, a dancing evening, a fair for artists and entrepreneurs with ASD, awareness videos, the Scotiabank Charity Challenge. To end the month, we invite you to attend our Walk for Autism, which will be held in Montreal, on Saturday, April 29, in the Ville-Marie borough. You will find all the information about the dates and places of each of the activities in our next Newsletters.
