

INFOLETTRE D'AUTISME MONTRÉAL

Let's advocate for autism

We will continue our action campaign so that autism becomes a priority for our government. To raise awareness amongst provincial elected representatives and various media regards to the lack of services and expertise, waiting lists and the constant increase in the number of autism cases, Autisme Montréal will continue to send photo testimonials to the government. So, follow our example! Take a selfie and send us your picture and message at mbarbier@autisme-montreal.com.
