

FAMILIES AND COMPANY ON VACATION

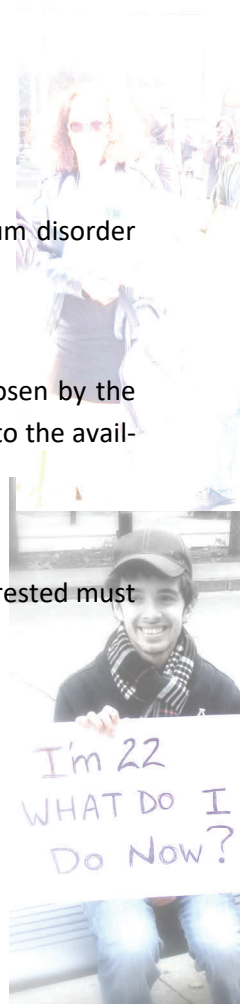

The Fondation de l'autisme wishes to offer families with one or more than one child with autism spectrum disorder (ASD) and individuals with ASD without intellectual delay vacations and respite opportunities.

The Foundation will pay for accommodation fees during vacation stays in different regions of Quebec chosen by the participants. Please note that only a certain number of people will benefit from this opportunity according to the available budget (approximately 4 vacation stays for the Montreal region, with up to \$1,000 for each of them).

Autisme Montréal has decided to do a random draw amongst all the requests received. Those who are interested must therefore register to take part in the draw, no later than January 31st, 2020.

DO YOU OWN THE TOURIST AND LEISURE COMPANION STICKER (TLCS)?

The Leisure Companion Card (LCC) now replaces the TLCS, a program that has been existing for more than 20 years. You must replace your TLCS by qualifying for the LCC as soon as possible at www.carteloisir.ca. You must keep your TLCS until you obtain your LCC.

There are 2 ways to apply, depending on your situation:

Are you eligible for any of the government programs, measures for people with disabilities, or have one of the recognized cards?

Fill out the simplified form and attach the proof requested and your photo.

You meet the criteria for LCC, but you are not eligible for any of the recognized programs, measures and cards?

Fill in the form with questionnaire. Make sure it is signed by a health and social services professional that will attest to the accuracy of the information provided and attach your photo.

For complete details on the programs, measures and cards recognized for LCC eligibility and to complete the appropriate form, go to www.carteloisir.ca or call 1 833 693-2253.

We would like to remind you that current holders of the Tourist and Leisure Companion Sticker (TLCS) have until October 2020 to replace their TLCS for the LCC.

BRAINSTORMING WITH OUR MEMBERS, YOUR IDEAS ARE WELCOME!

1. Depending on the number of members available, you could participate in a brainstorming meeting for the purpose of developing ideas, one idea can then generate another. Contact us by phone at 514 524-6114, extension 3142 to let us know you are interested;
2. Exchange your ideas with the events-organizer by phone at 514 524-6114, extension 3142 or by mail jlazureroy@autisme-montreal.com;
3. Be an intermediary for Autisme Montréal by putting us in contact with any person, organization or company in Montreal who wishes to organize activities during the month of autism. Don't forget to let us know.

We are waiting for your suggestions to make autism more visible in the community. It's together that we will succeed in creating an inclusive society.

PLANNED GIVING: A GESTURE TO SHOW YOUR SUPPORT!

You wish to support Autisme Montréal to allow it to improve the living conditions of individuals with an autism spectrum disorder (ASD), to reach its goals and to pursue its mission in the long term, then planned giving could be the solution for you!

Planned giving may take several forms, according to your will and personal reality. It will allow you, amongst other things, to demonstrate your generosity towards the community, to realize your philanthropic will and benefit from various tax privileges.

Your options:

- * Bequests through a will;
- * Gift through life insurance policy;
- * Charitable gift annuity;
- * Charitable trust;
- * Gift of securities.

Whatever your choice and intended amount, your gift is important for us. To discuss this subject with Autisme Montréal, please contact us at 514-524-6114, ext. 3142. You may also choose to contact a legal or tax adviser directly (notary, lawyer, financial planner or accountant) who will help you to choose the best form of gift for you.
