\$290, regular respite (two days)

Please note

Since the number of respite weekends is limited, the registrations are in order of calls, that means first one to call, first one the get the place.

We will place your child's name on a waiting list once all the available respite weekends are filled or should a parent want an additional respite weekend. This permits the maximum number of families to receive one respite weekend per trimester.

Autisme Montréal will not solicit parents to register their child for respite weekends. Parents must contact us in order to register their child to attend a respite weekend.

We reserve the right to complete the group of participants for each weekend as needed

Regular respite weekend starts on Friday at 7:30 PM (after dinner) and ends on Sunday at 3:30 PM (before dinner).

*The fees must be paid directly at the office of Autisme Montréal no later than the Friday of the week-end respite service your child is registered for.
